SHIVENDRA NATH  
Chairman-cum-Managing Director

Dear Colleagues,

On the occasion of the 56th Foundation Day of Engineering Projects (India) Ltd., I extend my warmest greetings and heartfelt congratulations to all the employees of this organization. This day is of immense significance to all of us, as today we are completing 56 years of our glorious service to the Nation.

Over the past five and a half decades, EPI has contributed significantly to the development of the nation's infrastructure. From power and housing to healthcare, defence, and international assignments, our organization has consistently demonstrated its capability to deliver complex projects with professionalism and integrity. Our presence across diverse sectors stands as a testament to our commitment to nation-building.

This remarkable journey has been made possible by the dedication, competence, and perseverance of our people. I sincerely appreciate the efforts of our engineers, project teams, finance professionals, and support staff, whose collective contributions have upheld the values and reputation of EPI. I also acknowledge the invaluable support of families who have stood by our employees through challenging assignments and demanding schedules.

As we celebrate this milestone, it is also an opportunity to reaffirm our commitment to excellence, transparency, and accountability. In a rapidly evolving infrastructure landscape, we must continue to strengthen our technical capabilities, embrace innovation, and maintain the highest standards of governance.

The future presents both opportunities and challenges. I am confident that, together, we will continue to uphold the legacy of EPI and contribute meaningfully to the nation's growth.

I wish you all a very happy Foundation Day.

With best regards,

Chairman & Managing Director  
Engineering Projects (India) Ltd.
